Jack "Jackpot" Williamson

Hi, I'm Jack Williamson and I'm the **Number 1 Seed** after winning the last 4 Super League championships.

I started competing when I was 8 years old. I'm now 16 and have found success over various championships and different tracks, but I class Brentwood as my home.

During my time there, I've perfectly crafted my skills which has enabled me to win at every track I've raced on! I've achieved some amazing accomplishments of which I'm very proud but always strive to do more!

Where I am now & my ambitions

What I'm doing now ...

- Brentwood Karting Super League
- Lakeside Karting Senior League
- Weekly teaching & mentoring the Development Club
- Monthly group tuition for adult league & One to One Tutoring
 - Part Time Trainee Mechanic

In between these championships I'm making guest appearances at other races and events to continue to diversify my experience & skills.

What Next?

I'm currently 16 and would love to compete in the Ginetta Junior. Following my Super League championship, I won a test day in a Ginetta Junior @ Silverstone which confirmed to me that's where I want to be. Thankfully I've already started attracting sponsorship and I'm looking to gain more, to get me closer to achieving my aim.

If you're a motorsport fan looking to support & enjoy the Exhilaration, Excitement and Thrills of race days, then I'm exactly who you're looking for!

This was a test of Track Driving & Manoeuvring skills coupled with Fitness & Media tests held at Blyton Park / Croft Circuit. They were both, truly great experiences and heightened my ambition to progress up the Motorsport ladder.

2022 Essex Endurance Champion

I also participated in the 2022 **BSKC (British Schools Karting Championship)** where my teammates and I made our way to the final and unfortunately finished as runners up just ONE point behind the winning team.

Partnership

I've also gained the interest of my first sponsor by the YouTube channel SiriuslyGoodTV! They've started filming a 'Jackpot' series, which is planned to follow my karting life.

Racing as a Youngster - Cadet

As a cadet at Brentwood I soon became the youngest ever Brentwood Cadet Race League Champion through an amazing last lap showdown with my championship rival. 5 years on, this record still stands.

A few months later, I won the Essex All-Star Cup and was also the youngest ever winner. Record still stands.

After taking a season long break, I returned to Brentwood Karting to defend my All Star Cup title and was crowned 'Double Back to Back Essex All-Star Champion!'

In addition to this, I did a season at Buckmore in the cadets and was awarded Buckmore Park 'Driver of the year'.

Mastering my Skills – Owner Driver

Ambitious to achieve, I took a break from Brentwood Cadets and ventured into the open wheel, owner driver racing route. I raced in the Honda Cadet class in 2018. This was a different driving style to what I was used to, but I worked hard and enjoyed it immensely.

My first season:

3rd place finish in the Club 2000 championship at Red lodge
& 'Top Rookie' Award.

&

5th place finish in the BMKR Championship
& 'Top Rookie' Award.

Showcase of Talent – Senior Driver

Nearing the age limit for Cadets and hungry to race more experienced drivers, I returned to Brentwood Karting but this time as a Senior.

I was excited for the new challenge against a grid of older and more experienced racers and immediately impressed, finishing 3rd in my first championship.

Shortly after, I won my first Brentwood Karting Senior Championship and again the youngest ever winner (record still held).

I also won my third Essex All-Star cup during this time with a dominating drive.

I recently defended my title to win my 3rd 'Bigger, Better & Tougher' Super League making me the one (and only) Triple champion.
