

Hi I'm Troy Hood  
aka Hooda,  
I'm number 5 seed in the Super Leagues at Brentwood  
Karting.

I'm a late starter - finding karting my passion 4 years ago  
when I was 12.

I've worked hard to get where am I today, against drivers that  
have years more experience - I'm thoroughly enjoying my  
journey, from race leagues to endurances and more.

Karting has made me more confident as well as believing in  
myself - I still have certain times when  
need to refocus and believe, I'm sure  
we all do?

I'm extremely grateful to the Brentwood  
Karting team and all the friends I've  
made - a huge thank you.

I'm now coming out of my comfort zone  
competing on different tracks and  
taking on new challenges.

Proving with hard work and dedication, you can make your dreams come true!
