I am 15 years old.  
Brentwood is my home track.  
Over the last two years, I have moved away from indoor racing and now concentrate on outdoor racing only.  
You will find me at Brentwood every Sunday competing in their Super League.  
I also compete at Brentwood's sister track Lakeside.  
I have been progressing well at both tracks and each season my finishing positions have improved.

## 2023

Lakeside Race League, fantastic season finishing fourth in the championship. First season in Club 100 Lightweights, raced at some great tracks up and down the country. At the end of the season, I finished eighth out of a total of 116 competitors.

## 2024

Has started well, two Brentwood Super League Championships completed with two of my best season finishes to date. Lakeside Elite Driver Championship is going well with two rounds left. Lakeside 12 Hour Endurance: This is the first time Lakeside have hosted this event and the first ever team event I have entered. Our team, The Three Helmets, Jack Williamson, Troy Hood and of course me, had a great day with our team finishing second. Special thank you to our team manager Lucy Williamson, her understanding of race strategy certainly helped with our final position. Lakeside Karting hosted a memorable event. Thank you Louise and all the staff at Lakeside for one of the most enjoyable race days I have had.

Other competitions I have competed in, 2022 Buckmore park junior pro championship. Finishing Third overall in class.
